Dear Ms. Hoffsetz:

On March 3, 1993, Mr. Holland Shepherd of this Division sent you a letter regarding Energy Fuel's July 21, 1992, request for reclamation and surety release for several mine sites in Utah. It is the Division's opinion that Energy Fuels Nuclear, Inc. has now satisfied all appropriate requirements of the Utah Mined Land Reclamation Act, Section 40-8-1 et seq, UCA, (1953, as amended) and Utah Administrative Code, R647-1 through R647-5. Energy Fuels Nuclear, Inc. is hereby released from all its reclamation and bonding responsibilities for the following sites:

	Mine Name	Mine Number	Surety Amount
1.	Straight Creek	M/017/018	\$1,050
2.	Hillside Complex	M/037/015	\$2,460
3.	Sahara	M/015/026	\$35,923
4.	Ivy	S/037/034	no bond
5.	Standard II	S/037/011	no bond*

These sites have been successfully reclaimed and no outstanding compliance issues exist.

The Division has enclosed the original reclamation sureties with this letter for your records and disposal. These files will now be retired and archived. Should

Energy Fuels wish to reactivate any of these mine sites, a new notice of intention will need to be filed with this office.

Thank you for the diligent and professional manner under which your company carried out its reclamation responsibilities on these sites. Please feel free to contact us at your earliest convenience should you have any remaining questions or concerns in this matter.

Very truly yours,

James W. Carter
Director
